PROFESSIONAL EXPERIENCE

Noon

Dubai, UAE

Business Development Executive

June 2023-June 2024

- Led commercial planning and execution for 200+ product launches, coordinating across marketing, logistics, and category management to accelerate time-to-market by 15% and boost vendor activation by 25%
- Conducted market and competitor analyses to inform pricing, assortment, and partnership strategies, driving growth across key retail categories
- Built business cases for vendor acquisition and SKU prioritization using revenue modeling and margin analysis to guide leadership discussions
- Created and delivered executive-ready presentations synthesizing product performance insights, enabling leadership to make data-informed positioning and expansion decisions

Robt Stone

Abu Dhabi, UAE

Financial Analyst Intern

July 2022-January 2023

- Supported strategic financial planning by performing cost, investment, and scenario analyses for major infrastructure projects
- Conducted due-diligence assessments and prepared executive memos summarizing investment viability and risk exposure
- Partnered with finance and operations to identify variance drivers between forecasted and actual performance, enhancing budget accuracy and stakeholder confidence

RCW Media Group

Los Angeles, CA

Market Research Intern

January 2022-May 2022

- Supported client strategy teams by analyzing audience and engagement data to refine media targeting and segmentation, improving campaign ROI by 12%
- Delivered insights that informed marketing spend allocation, audience selection, and messaging strategy for brand partners
- Coordinated with analytics and creative teams to produce actionable research reports and client presentations on schedule for high-priority accounts

PROJECTS

Uber Data Analysis and Time Series Forecasting

- Analyzed 100K+ trip records to identify usage trends, demand hotspots, and operational inefficiencies across time and geography
- Translated findings into business recommendations that informed dynamic driver deployment, pricing, and peak-time strategy

Ziina Purple – Fintech Subscription Strategy

- Designed an end-to-end market entry strategy for a premium fintech subscription in the MENA region, benchmarking competitors such as Revolut and N26 to define white-space opportunities
- Evaluated potential monetization models and user value propositions using financial projections, customer segmentation, and behavioral insights
